

PHOTOGRAPHS - PRICES & OPTIONS

SPRING 2017

"Print" - Archival pigment print on finest smooth matte finish art paper - (larger prints can be shipped safely in rolls.)

"Framed" - Matted archival print, white museum window mat black frame with standard glass.

"Face Mount" print mounted on dimensionally stable board, protected with UV laminate, image has no or minimal printed border, particularly appropriate for very large prints.

"Nominal Image Size" Sizes below are and prices based on longest dimension of the print. For instance: a 8" x 20" panorama is priced same as a more standard 14 x 20". **Square-ish prints are priced via special quotation.* Std. Frames add about 30 - 40% to each dimension of the print With Face-Mounted prints, the frame dimensions will basically equal the image..

Numbered-Editions 14" and larger prints are signed/numbered on the print with a Certificate of Authenticity Shipping is for Continental USA orders only. *Please contact us for shipping quote outside C.U.S.A.*
